

Lighthouse Monthly Prayer Bulletin

May 2023

Please pray for another prayer space, hopefully taking place in May, at Holy Trinity School. Please pray that the logistics will come together so that this can happen, and that young people will meet with God in this space!

Please pray for this half terms assembly about God's promises! The assembly looks at the promises The King will make at his Coronation and then at the promises God makes to us. The assembly tells the account of Noah and how the rainbow reminds us of a promise from God. Please pray that this message will touch the hearts of the children and staff.

Please pray for the Eliv8 teams as they start new courses in Holy Trinity and The Gatwick School. Please pray the students will quickly feel comfortable in the group and so will get the most out of the course.

Please continue to pray for the primary lunch clubs as they explore the encounters people had with Jesus after he rose from the dead. Please pray that children would discover Jesus themselves through these clubs.

Please pray for new volunteers! We have potential opportunities to grow both the primary and secondary school work, however we need a bigger team to enable it to happen! Perhaps ask God if YOU may be able to volunteer in some way? Please contact Lizzie on 07766190315 for a chat!

Thank you!
