

Lighthouse Monthly Prayer Bulletin

September 2023

Praise God for our new Primary Schools Coordinator, Charlotte Cox! She will be overseeing our primary school lunch clubs and RE workshops. Please pray for her as she settles into her new role.

Please pray for Sam and the assembly team as they prepare, rehearse, and present this half term's assembly on Jesus calms the storm.

Please pray for a new lunch club starting at Maidenbower Infant School later this month! Please pray that the preparation will go smoothly and that children will be excited to learn about the Christian faith.

Please pray for The Oaks lunch club as it restarts later this month. Please pray that new children would sign up and that they would be engaged and have fun learning about God creating the world!

Please pray for the lunch club at Holy Trinity school as Michelle works on making it more focused. Please pray for Michelle and the team as they aim to encourage the young people to connect, reflect and respond to various subjects.

Please continue to pray for good relationships with the schools and for new relationships to be developed!

THANK YOU!
